

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO THE STATE UNIVERSAL)
SERVICE FUND)

CASE NO.
2016-00059

ORDER

On February 1, 2016, the Commission, on its own motion, initiated this administrative proceeding to investigate the current and future funding, distribution, and administration of the Kentucky Universal Service Fund ("KUSF"), which provides supplemental support for authorized telecommunications carriers that also participate in the federal Lifeline program. The Commission named as parties, *inter alia*, all Local Exchange Carriers, all commercial mobile radio service providers, and all eligible telecommunications carriers ("ETC"). The Commission noted that some of the carriers may not have an interest in this proceeding and allowed each carrier that is not an ETC in Kentucky receiving both federal Universal Service Fund and state support the opportunity to file a written request setting forth the reasons why withdrawal as a party is appropriate.

On April 6, Commission Staff issued requests for information to Total Call and other carriers.

On April 27, 2016, Total Call Mobile, Inc. ("Total Call") filed with the Commission a motion to withdraw or, in the alternative, grant an extension of time in which to respond to Commission Staff's requests for information if the motion to withdraw is denied. In its motion, Total Call states that, while it is designated as an ETC in

Kentucky, it receives only federal support and that its future contribution to this proceeding would be minimal. Total Call states that its absence would allow the Commission to focus on the testimony and comments of the parties that have the most experience with the KUSF.

The Commission does not lightly dismiss any ETC to this proceeding, regardless of whether that designation is solely for federal support or for state and federal support. On July 20, 2015, the Commission designated Total Call as an ETC, eligible only to receive federal Lifeline support.¹ Since being so designated, according to the records of the Universal Service Administration Company, Total Call has received \$1,351 in federal support for Lifeline service provided in Kentucky.² However, the Commission established this case in order to develop facts pertaining to, among other things, a determination of the future practices for requesting and receiving support from the KUSF, with an emphasis on ensuring the accurate reporting of lines receiving Lifeline support.

The Commission finds that Total Call is likely to provide meaningful information that will help develop facts regarding customer eligibility for Lifeline support and the accurate reporting of lines receiving Lifeline support, and, therefore, Total Call's request to withdraw as a party from this proceeding should be denied. The Commission further finds that the motion for an extension of time in which to respond to Commission Staff's requests for information should be granted.

¹ Case No. 2014-00268, *Application of Total Call Mobile, Inc. for Limited Designation as an Eligible Telecommunications Carrier* (Ky. PSC July 20, 2015).

² <http://www.usac.org/li/tools/disbursements/results.aspx>

IT IS THEREFORE ORDERED that:

1. Total Call's motion to withdraw is denied.
2. Total Call's motion for a ten-day extension to respond to Commission Staff's request for information is granted.
3. Total Call's responses to Commission Staff's requests for information issued on April 6, 2016, shall be due ten days from the date of this Order.

By the Commission
